
Willingham Bowls Club Annual Report 2018

Willingham Bowls Club continues to provide a recreational sport to the young and old of the village and are extremely grateful for the support it receives not only from Willingham Parish Council but also local businesses who provide some welcome funds through sponsorship.

The club has a stable membership base of around 24 and allows its members to participate in afternoon and evening competitive league matches

A lot of our costs remain on the upkeep of the green which has to be cut 3 times per week which takes its toll on the machinery we have. As well as contracting a company who helps to keep the green in good shape we roughly spend up to 90% of our income on this.

We remain positive for the future and always welcome new members

Best wishes

J Smith
