
Willingham Wolves Football Club Annual Report 2018

Willingham Wolves Football Club provides grass roots football to children from the age of 6 up to 18, we are an FA Charter Standard club with over 150 children from Willingham and surrounding villages. We rely on a lot of volunteers to be able to maintain our position within the community and also are grateful to Willingham Parish Council who provide us free of charge an excellent recreation ground and pavilion to use.

We have 10 teams competing in Cambs and Hunts leagues as well as also cup matches.

Our development squad for the under 6's has great numbers and we continue to work with the local schools to ensure that we maintain this for the future of the club

Our annual Football Festival goes from strength to strength following the success of last years tournament which attracted 54 teams from around Cambridgeshire, this year we have almost 90 teams entered! The event takes place on Saturday 9th June from 9am to 6pm and will see almost 700 children participate!

We have a hope to reintroduce men's football back to the village hopefully starting next season, we have some work to do in order to make this happen but we remain confident we will achieve this

Best wishes
