- hard landscaping from the entrance way and any future development
- Any future development of the site behind the purchase strip would be outside the village envelope and not supported
 - Purchase of the land and any subsequent development would be overloading the immediate infrastructure. Millfield already has very poor access and visibility onto Station Road and the road is narrow and subjected to too much traffic already. Any further development would be an added burden and increase the risk/likelihood of an accident on the junction with Station Road.

This was seconded by Councillor Carlton and **agreed** unanimously.
