

1st Willingham Scout Group

The 1st Willingham Scout group has had another successful year, running Beavers, Cubs and Scouts sections for boys and girls aged 6 to 14 from Willingham and surrounding villages. The group offers a wide range of activities and experiences, from outdoor cooking and orienteering to archery and cycling safety and many more, as well as outings, longer hikes and overnight camps. There are currently around 100 children across the group and we have successfully recruited a new Cub leader to allow our Cub section to stay open. The group does have a waiting list and are actively looking for new leaders, assistant leaders and help of all kinds to allow us to offer even more to the children in the community.

The 1st Willingham Scout Group continues to be actively involved in community events in Willingham, including running the BBQ and stalls at the Fen Gallop/school summer fun day, holding their annual Car Wash at the Ploughman's Hall, and running a well-attended Fireworks Night in November.

When we aren't out and about on night hikes, scavenger hunts or playing wide games at the recreation ground we continue to use the Public Hall as our base on weeknights and some weekends for our meetings and also special events, and we appreciate the continued support of the parish in allowing us to hire this venue through the Public Hall Users Committee.
