

WILLINGHAM PARISH COUNCIL

Notes of a Planning Committee Decision made under delegated powers on Friday 10 July 2015 by email correspondence

Committee Members: Councillors Law (Chair), Watson, Slater, Harris, Manning, Cook, King, Croucher
Clerk: Halina Szulakowska

S/0508/15/FL – 76, High Street, Willingham, W. Hopkins – Proposed Dwelling

The decision below was made under delegated powers due to the short timescale issued by SCDC to WPC in which to make a recommendation. It was not possible for the Councillors to arrange a suitable date when a meeting that was quorate could be held prior to the SCDC deadline.

Cllr Law proposed that the Council recommended approval, providing the existing access is permanently blocked up prior to building work commencing, and that the ditch is not covered any further without advice from the appropriate officers at SCDC. The proposal was seconded by Cllr Harris and agreed with seven votes in favour and one objection.
