

Willingham Cricket Club

Club Report for 2017 Season

At the start of 2016 the club was severely impacted by the loss of numerous players. This then had a detrimental effect on the club's ability to be able to field 2 sides last season. This also impacted on the financial side of the club as we were not earning as much in the form of match fees as well as being fined by the Cambridgeshire Cricket Association because we were cancelling games.

At the end of last season the club made the sad decision to fold our second XI for the 2017 season.

The club has entered 1 team into the county leagues this year. We are currently hopeful that we will be able to settle the club down under new captaincy. So far signs are looking positives with additional players being signed for the club.

The club is continuing the look for more youth players for the club. The club has started net sessions at the recreation ground in April and will continue to run on Wednesday evenings for the foreseeable future.

Kind Regards

Willingham CC.

Summary

The Quiz Nights in 2016 made a substantial profit for the cricket club in 2016. Match Fees were down over the season due to the erratic nature of the sides.

Notable Expenses came in 2016 were:
Substantial Fines from CCA £380.
Donations to Willingham GP Surgery £415
Balls and Handbooks required £343.93

These expenses accounted for the majority of the difference and loss made by the club in 2016.
