

Willingham Wolves Chairman's report 2016

Again I would like to thank the Parish Council for their continuing policy of allowing the Young footballers to use the Pitches free of charge.

The pitches are still amongst the best at this level in the county and I hope this continues to be the case.

The Club will have a change of personal at the top with new chairman, Secretary and Treasurer being appointed in the next month or so.

I believe the Club will continue to flourish but must continue to evolve and improve coaching and care for the kids.

My hope is long term the Men's Team reforms, but that will need someone to drive that.

Best Wishes

Dean Greygoose
