Mr Beattie addressed the committee regarding item 6(ii) and raised concerns that the development would have an adverse effect on them. They would suffer from a loss of light as the distance between the properties would be significantly reduced. Due to the density of the development it would change the landscape of a small cul-de-sac and would set a precedent. Their garden would also be overlooked by the ensuite

6. Applications for consideration

(i) S/3474/17/FL – 47 Millfield, Willingham, Mrs and Mrs Allen – first floor side extension and single storey rear extension and front porch.

Councillor Harris proposed the Council support the application, seconded by Councillor Manning and agreed unanimously.

(ii) S/3178/17/FL – 37 Balland Field, Willingham, Mr and Mrs Leith – Erection of a 2 storey side extension
This item was taken after item 3

Councillor King proposed the Council object to the application as the development is overbearing in layout and density and would result in a loss of light for neighbouring properties (No 35). The proposal would also result in reduced parking which would cause an issue due to the location along a private driveway. The Parish Council would suggest that the proposal is reviewed. This was seconded by councillor Croucher and agreed unanimously.

(iii) S/3441/17/FL – The Porterhouse Pub, 1 Station Road, Willingham, Barry Todd – two storey side and rear extension, new boundary treatments, landscaping, car park alterations, staff accommodation building and raised external terrace.

Councillor King proposed the Council support the application but would stress their concern regarding parking and access on this busy junction. Highways should be consulted regarding these concerns. This was seconded by councillor Harris and agreed with four votes in favour and two objections.

(iv) S/3457/17/VC – Oasis Nursery, 178 Station Road, Willingham, Mr M Wright – removal of condition 7 (agricultural occupancy) of planning permission S/0480/12/OL – outline application for erection of dwelling to replace existing mobile home.

Councillor Law proposed the Council object to this application. If the development was an agricultural dwelling, then it still is an agricultural dwelling. The business is still in place and running and nothing else has changed. If the applicant wishes to develop then they should apply to develop. Seconded by Councillor Croucher and agreed with five votes in favour and one abstention due to declaration of interest.
