

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 9pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Saturday 30 8am to 5pm

- B1514 Brampton Road between the RingGo car park and Edison Bell Way

Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514.

Vehicles on the Brampton side of the closure will follow this diversion in reverse.

Pedestrian and cyclist access will remain via the northern footpath.

Saturday 30 and Sunday 31 (two nights)

- A14 eastbound Milton junction 33 exit slip

Vehicles will be diverted to continue on the A14 eastbound to Fen Ditton junction 34, exit and return on the westbound carriageway for access to the Milton junction
