

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 9pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 8 (one night) 9pm to 6am

- B1514 Brampton Road between the RingGo car park and Edison Bell Way

Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514.

Vehicles on the Brampton side of the closure will follow this diversion in reverse.

Pedestrian and cyclist access will remain via the footpath.

Thursday 11 and Sunday 14 (two nights) 9pm to 6am

- B1514 Brampton Road between the RingGo car park and Edison Bell Way, and Edison Bell Way (up to Aldi)

Vehicles on the Huntingdon town centre side will be diverted onto Ermine Street, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514. Residential access to Edison Bell Way will be maintained from the Aldi side.

Vehicles on the Brampton side of the closure will be diverted onto the A141 east, St Peters Road, Ermine Street and onto the ring road.

Pedestrian and cyclist access will remain via the footpath.
