

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 9pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 7 to Friday 11 (five nights) 9pm to 5am

- Huntingdon train station west car park (car park that leads to Platform 3)

Please allow additional time in your journey to park at the east car park, accessible via Huntingdon ring road, Pathfinder Link and the A1307

Saturday 12 and Sunday 13 8am to 5pm

- B1514 Brampton Road between Scholars Avenue and Edison Bell Way

Vehicles on the Huntingdon town centre side will be diverted onto the ring road, St Peters Road to A141 west to Brampton / Brampton Racecourse junction and into Brampton via B1514.

Vehicles on the Brampton side of the closure will follow this diversion in reverse.

Pedestrian access will be maintained via the footpath.
