

Willingham Combined Charity

Report for the Parish meeting in May 2022

The Charity looks after:

- **6 one bedroomed bungalows in Over Road.**
- **1 two bedroomed bungalow in Haden Way.**
- **An allotment site in Church street with 10 plots**
- **An allotment site in Westmeadow Close with over 50 plots of varying sizes.**

Residents.

All the bungalows are occupied and residents have coped remarkably well during 2021 all things considered.

The Trustees were delighted to be able to visit (socially distancing!) the bungalows twice with bags of goodies which were gratefully received.

Allotments:

At the moment all the plots are being used with the newly introduced 5x5 metre plots being very successful; we started with 5 and now have 17. We try and give these plots to novices and it has worked well with progression to larger plots made by some of them.

We have a bee hive on site plus, to our great delight, a couple of hedgehogs have been spotted despite the rabbit/badger proof fencing!
