

Library Annual Report 2022-2023

It's been a very successful year for Willingham Library. We are continuing to see new membership's and also bus pass applications in the library. We are so pleased the library is being supported by its local community. Thank you for supporting the library and staff.

We continue to put on a range of events and activities for all age groups, including our regular events such as Lego club for children and our monthly events, such as Engage for adults. We also offer Digital Buddy assistance on a monthly basis in the library. You can keep up to date with our events by following us on social media and visiting us online at www.cambridgeshire.gov.uk/library.

We love connecting with our local community and schools in Willingham. Sue and Chris have hosted several class visits and hope to do so again over the summer. We also work closely with the schools when promoting the Summer Reading Challenge – to enthuse our participants but to also ask for volunteers to help us run the challenge. Thank you for your recent donation of £250.00 towards this year Summer Reading Challenge programme in Willingham library.

Thank you for the continued support from the Parish Council, helping us to make the challenge even more exciting for our local community.
