

Summary for the - Proposed Traffic Calming – Earith Road Survey

Residents were asked to respond directly to the office with either a yes in support or a no in objection.

The office has collated Yes and No comments sent directly to us.

Where given, we have made a note of the road the resident was responding from to try and ascertain the responses from people on Earith Road as opposed to elsewhere. The Table below summarises the results.

No of Yes'	No on Earith Road	No on other named roads	Yes' from other locations unknown	
31	18	5	8	
No of No's	No's on Earith Road	No's on other named roads	No's from Other Locations unknown	
23	2	11	10	
There are approximately 65 households on Earith Road with 20 households responding. This equates to approximately 30 % of residents responding.
